## **Quick Start Guide**

**LOGIN PAGE:** This is where you enter your USER ID and PASSWORD to login to the site. If allowed and you don't have a user name and a password, you can shop anonym or register yourself. As registered user, when you have forgotten your password, you can also order an email to get your password back.

**ORDER BY PRODUCT / ORDER BY KEYWORD:** If you choose a product with an existing matching template, the template(s) will be displayed and offered to choose. If you don't want to use an existing template just click on CREATE NEW to go to a blanket custom wizard. Maybe you have to choose from several options first (like ink- or product-color).

## There are three ways to shop <u>the site!</u>

- **ORDER BY PRODUCT:** Click on the Product name or picture to select your product from the catalog. After selecting and customizing your product you can save your template for later use.
- **ORDER BY SAMPLE:** Click on the link Samples below a category to choose from predefined Sample Stamps
- **ORDER BY KEYWORD:** Click here to order a product when you know keyword or a product number. All matching products will be displayed. Select the one that most closely matches your requirements and click on ORDER.

## SELECT TEMPLATE: This page will allow you to view all the templates that have been saved for the products of this categroy.

Here is a tab labeled "General Templates". As time goes on and more and more templates are added to the site, other folders will be added. The other tabs you may see are "Your Templates" and "Your Company Templates".

- **GENERAL TEMPLATES:** This tab is available to all users who log into the site. These are created by the manufacturer for general use and available for all types of products.
- **YOUR TEMPLATES:** These templates are saved **exclusively** under your user name and password. This privacy feature allows them to only be available to you.
- **YOUR COMPANY TEMPLATES:** If you create a template that needs to be available to other users within your organization, contact the manufacturer and they will see that it is added to the "Your Company Templates" folder.

**PRODUCT CHOICES:** By clicking on any template of your choice, you will be sent to the custom wizard immediately.

- **NEXT SMALLER / NEXT BIGGER:** If possible and the text doesn't fit on this mount size, click here to select the next smaller respective bigger stamp size.
- **SPACING:** This tab is only used when precise alignment is absolutely necessary. It allows you to move lines from left to right and top to bottom. A positive number in the INDENT field will move the line from its original position to the right. A negative number will move the line to the left. The same applies to the V. SPACE field.
- **RULED LINES:** This tab will give you the option to add ruled lines to your text. Click the box to add a ruled line or leave blank for no line. DISTANCE refers to the amount of space desired from the end of the line to the edge of the stamp and the numbers listed represent point sizes. LINE DIRECTION refers to the direction you want the line to extend from the wording.
- **BORDER:** Click on this tab and you have the option to place a border around the text by choosing "border on". Then select your thickness, distance and shape.
- **GRAPHICS:** This tab allows you to upload or select a graphic for your layout. They can ONLY be uploaded in a .bmp format at 300 dpi. The graphic can be scaled to size, aligned with text and saved for future use.
- **ROUND / FLAT:** If the stamp is avaliable in two formats (round and flat) you can change to the other format by clicking one of these buttons.

changing what is here, your saved template will NOT be altered and you will have the option (next page) to save this as a new template.

- **FONT:** To change the font style, click on the DOWN ARROW and choose accordingly. If you are not sure how a particular font looks, click on the FONT SAMPLE button and you will have all styles.
- **SIZE:** Here you have the option to change the height of the text. HINT: 12 Points = 1/8°, 24 Points =  $\frac{1}{4}$ °, 36 Points = 3/8°
- **B**, **I** and U: These attributes will allow you to customize your typestyle. B is Bold, I is *Italic* and U is Underlined.
- HORIZONTAL ALIGNMENT: Selecting any of these choices will align your text.
- VERTICAL ALIGNMENT: allows you to adjust all lines to the top, middle or bottom of the available space.
- **APPLY TO ALL LINES:** Clicking in any of these fields allows you to change ALL lines of text at one time.

This page ("proof reading") gives you the chance to proof your work before moving on.
